

## Portable Hard Drives StoreJet 25M3C

Transcend's StoreJet 25M3C ruggedized portable hard drive features the USB 3.1 Gen 1 interface and a USB Type-C port for unmatched transfer rates, and comes with both a USB Type-C cable as well as a Type-C to Type-A cable for max compatibility across devices. Supreme shock-resistant qualities ensure superior protection for data stored on the drive.

### Rugged and portable

The StoreJet 25M3C portable hard drive was designed with high endurance in mind, allowing you to store and share wherever you go.

### Excellent anti-shock protection

The StoreJet 25M3C features a three-stage shock protection system that has passed MIL-STD-810G US military transit drop test to fully protect data stored on the drive. The three-stage shock protection system includes a silicone rubber case, an internal shock-absorbing suspension damper, and a reinforced hard casing.

### USB Type-A & Type-C supported. Made to adapt.

The StoreJet 25M3C includes both a USB Type-C cable and a USB Type-C to Type-A cable, supporting USB Type-C and USB 3.1 devices such as desktops, laptops, iPhone 15 and later models, and iPad models with USB-C. Withstanding up to 10,000 plug-unplug cycles, it offers exceptional durability and dependable file protection.
