

Personal Cloud Storage

StoreJet[®] Cloud 210N (Enclosure)

Rather than trusting your data to fee-based public cloud storage services, opt for Transcend's StoreJet Cloud to get up to 8TB of personal storage space, and the peace of mind that comes with having total control over your data. Transcend's StoreJet Cloud features fast transfer speeds of up to 110 MB/s and centralized data management, allowing for efficient storage and rapid access to all your data even if you're miles away.

Applications

At home, stream media for great home entertainment. In the dorm, share files from class with your friends. In the office, manage business data to boost productivity. When being outdoors, back up photos and videos right away.

Backup

Supporting Windows and Time Machine backups, Transcend's StoreJet Cloud also features auto backup of photos and videos captured with mobile devices. With a push of the red button, the StoreJet Cloud will automatically back up storage devices connected to its rear USB port. Transcend's StoreJet Cloud will charge your iOS or Android device during backup via the USB port.

Sharing

Transcend's StoreJet Cloud allows friends and family to create their own accounts on the device, allowing for secure sharing. Each account is individually maintained and secured. Use the public folder, or send a URL link to quickly share videos, music, and other digital files!

Personal Cloud Storage

StoreJet® Cloud 210N (Enclosure)

Features

- NAS-grade hard drives
- Securely share files with friends and family
- One touch to instantly back up USB drives
- RAID 1 technology to mirror and protect data in another disk
- Diskless Enclosure model

StoreJet Cloud App

Transcend's StoreJet Cloud app is designed specifically to work with StoreJet Cloud models. Featuring quick setup via a mobile device, the app allows universal access to the StoreJet Cloud device and a user-friendly file management system. In addition, the StoreJet Cloud app provides auto-sorting and various display views, making searching for files a snap.

Specification

Appearance

Dimensions (Max.)	210.8 mm x 129.4 mm x 87.8 mm (8.30" x 5.09" x 3.46")
Weight (Max.)	740 g (26.10 oz)

Interface

USB Type	USB Type-A
Connection Interface	USB 3.1 Gen 1
Bus Interface	SATA III 6Gb/s

Hardware

LAN Port	1 Gigabit Ethernet port
Number of Bay	2 bay(s)
RAID Mode	1
CPU Type	ARM Cortex-A7 Dual-Core 1.1GHz
RAM	DDR3 512MB

Storage

Capacity	0TB
Storage Media	NAS-grade 3.5" HDD

Power

Power Supply (Max.)	AC 100-240V, 50/60Hz
---------------------	----------------------

Performance

Read Speed (Max.)	110 MB/s
Note	Speed may vary due to host hardware, software, usage, and storage capacity.

Warranty

Certificate	CE/FCC/BSMI/KC/RCM
Warranty	Two-year Limited Warranty
