

Portable SSDs

ESD360C Portable SSD

Transcend's ESD360C portable SSD boasts a blazing-fast USB 20Gbps transfer rate and impressive storage capacity. Its credit-card size means you can easily put it in your pocket or wallet. The ESD360C has numerous useful features such as advanced data security capabilities and one-touch auto-backup function, allowing you to safely store client data, meeting records, business contracts, or even your valuable media files. It's time to upgrade your mobile data base!

20Gbps Super Speeds

Transcend's ESD360C portable SSD is equipped with incredible 20Gbps transfer speeds, as well as an SLC Cache, which enhances read/write speeds up to 2000 MB/s. Whether it's documents or media files, everything can be transferred in no time at all. The ESD360C is also backward compatible with USB 2.0 & 3.0, allowing for greater accessibility and ease of use.

Note: Speed may vary due to host hardware, software, usage, and storage capacity.

Take the World with You, in Your Pocket

Pack light! The credit-card-sized ESD360C fits perfectly in your wallet or purse, barely taking up any space in your travel bag. Meeting MIL-STD-810G US military drop-test standards, the ESD360C can endure a 3-meter drop.* The anti-scratch and anti-shock case means the ESD360C will not only look and stay pristine after all your adventures, but you'll also be traveling in style.

*Drop test is performed in non-operating state. This does not guarantee the invulnerability of this product under any circumstances. Please do not drop or strike the product arbitrarily.

More Space For Better Peace of Mind

Transcend's ESD360C provides up to 4TB of storage capacity, ensuring you have plenty of space to store all your important files and backups.

Portable SSDs

ESD360C Portable SSD

Features

- 3D NAND flash
- Suitable for desktop, laptop computers, OTG mobile devices and gaming consoles
- Convenient one-touch auto-backup for instant data backup
