Portable Hard Drives

StoreJet® 25A3

Rugged durability doesn’t always come at the expense of style. The StoreJet 25A3 external hard drive offers an impressive level of anti-shock protection without sacrificing its slender good looks. This feature-packed hard drive is equipped with a USB 3.1 Gen 1 interface, a multifunction button, and up to 2TB of storage capacity.

Sleek, classic design

Transcend’s StoreJet 25A3 external hard drive features a sleek enclosure available in classic black and gloss white. This sleek, classic external hard drive speaks to your good taste.

Lightning-fast transfer speeds

The StoreJet 25A3 external hard drive is equipped with the USB 3.1 Gen 1 interface, providing lightning-fast transfer rates of up to 5Gbps.

Internal suspension system

Lying underneath the trendy enclosure is a protective suspension system. The inner rubber shock absorber can effectively protect the hard drive by softening the force of impact in case of accidental drops.
