

Slim Portable DVD Writer 8XDVDs

Whether playing movies, installing software, or backing up files on the go, Transcend's slim portable DVD writer is the perfect companion to today's thin-and-light laptops, netbooks, and Ultrabooks. The DVD writer comes in an ultra-slim, sleek design at just 13.9 mm thick with rounded edges, ideal for on-the-go entertainment, software installation, and file backups.

Plug and play

Transcend's Slim Portable DVD Writer can be used right out of the box, requiring no driver or external power. It supports data transmission on dual layer discs, reading and writing data at up to 8x DVD±R and up to 24x CD-R/RW read/write speeds for optimum efficiency.

Superior compatibility

The Slim Portable DVD Writer is compatible with the latest Mac and Windows operating systems. Supporting USB 2.0 and later standards and popular CD/DVD media formats, the DVD Writer is broadly compatible.

Sleek and slim

The DVD writer comes in an ultra-slim, sleek design at just 13.9 mm thick with rounded edges, ideal for on-the-go entertainment, software installation, and file backups.
