USB 3.1 Gen 1

JetFlash®820

Here's your opportunity to own a refined portable storage product of exceptional quality and elegant design. With its SuperSpeed USB 3.1 Gen 1 interface, durable metal casing and eye-popping champagne gold color, the JetFlash 820 flash drive is the most complete storage device for those with a taste for the finer things in life.

Sleek Champagne gold design

The JetFlash 820's light golden hue adds a touch of elegance and glamour to your home, office or school.

Best accessory

With its slim silhouette, the metallic case of the JetFlash 820 has a sleek and compact profile. A handy keychain attachment loop lets you enhance the look of your keys, wallet or purse.
