Accessories

2.5" SSD/HDD Enclosure

The 2.5" SSD/HDD Enclosure is a stylishly designed case that can house any 2.5-inch SATA hard drive or solid state drive up to 9.5 mm in height. With a USB 3.1 Gen 1 interface, the StoreJet 25S3 is perfect for uploading, downloading, storing, transferring, and backing up vital data including media-rich content like movies, photos, music, and games.

Reuse your old drive

What do you do with that old hard drive you took out of your laptop? Don't throw it away, reuse it! This sturdy case can house any SSD/HDD up to 9.5 mm in height for use as an external drive.

UASP supported

Thanks to UASP (USB Attached SCSI Protocol), Transcend's 2.5" SSD/HDD Enclosure offers transfer speeds faster than those offered by the traditional USB 3.1 Gen 1 interface when used with a UASP-enabled device.

One touch easy backup

Transcend's 2.5" SSD/HDD Enclosure features a one-touch backup function to synchronize files and folders with just one touch. Download Transcend Elite software from our website to manage your data more effectively!

Note: Transcend 2.5" SATA III SSD and Elite software is required for this feature.
