

*Exceptional Transfer Speeds
for Professionals*

CFast 2.0 Card Reader | RDF2

Transcend's RDF2 card reader supports CFast memory cards, exclusively designed for professional cinematographers who pursue extreme transfer efficiency. With the USB 3.1 Gen 1 interface, the RDF2 card reader shows the exceptional transfer speeds, 10 times faster than the USB 2.0 interface. The compact and portable design allows users to easily carry around with them from studio to the filming spot without adding any burden.

Exclusively designed for
CFast 2.0 memory cards

USB 3.1 Gen 1 interface
