

The Fastest Ever.

Supports UHS-II SD cards
All-in-one design
Super-fast transfer speeds

Card Reader | RDF9

Taking full advantage of the UHS-II technology, the RDF9 card reader unleashes the high-speed performance of SDXC/SDHC UHS-II memory cards. Equipped with the USB 3.1 Gen 1 interface, the RDF9 delivers the blazing fast read and write speeds of up to 260MB/s and 190MB/s accordingly*, facilitating high-resolution video and RAW image transfers, and post-production processing for professional photographers, videographers and graphic designers. Additionally, it also boasts CompactFlash, SD and microSD card slots, offering great convenience to transfer different types of digital files with one compact card reader.

Fast transfer speeds to facilitate post-production

Multiple card slots support popular memory cards

- Ideal for transferring high-resolution videos and RAW images
- Compact and easy-to-carry
- Convenient LED indicator shows card insertion and data transfer activity
- Supports SD and CF built-in security functions**

*Based on USB 3.1 specification. Speeds may vary due to host hardware, software and usage.

**Not all cards support built-in security functions. Please check with your memory card manufacturer for compatibility details.

Ordering Information

TS-RDF9K2

Dimensions	67.6 mm x 45 mm x 15.2 mm (2.66" x 1.77" x 0.6")
Weight	30.6g (1.08oz)
Connection Interface	USB 3.1 Gen 1
Power Supply	5V DC from USB Port
Operating Temperature	0°C (32°F)~70°C (158°F)
Supported Cards	SDXC (UHS-I/II) / SDHC (UHS-I/II) / microSDXC (UHS-I) / microSDHC (UHS-I) / CompactFlash (UDMA6/UDMA7)
Certificates	CE, FCC, BSMI, C-Tick, KC
