## Car Video Recorder | DrivePro™ 50

Introducing Transcend's most compact dash camera yet, the DrivePro 50 is a car video recorder that does away with everything except the essentials. With exceptional picture quality and low-light performance, live streaming to iOS and Android devices, compact design, and included High Endurance memory card, Transcend's DrivePro 50 has everything you need in a dash camera.

**Exclusive DrivePro app**

**F/1.8 aperture and 130° viewing angle for clear and smooth 1080P recordings**

**Emergency recording to protect important videos from being overwritten**

- Compact form factor
- Built-in Wi-Fi function for real-time footage playback
- Built-in battery to ensure uninterrupted recording
- Free download of DrivePro Toolbox
