

**DrivePro. Keeping you safe.**

**High-sensitivity image sensor for enhanced night view**

### Dashcam | DrivePro™ 110

Road safety is important. Transcend's DrivePro 110 dashcam utilizes a Sony image sensor to provide high-resolution images with extremely fine tonal gradation even in low light. In addition, the DrivePro 110 features a built-in battery, a handy snapshot button, emergency recording, headlight reminder, and driver fatigue alert.

**Convenient snapshot button captures photos while recording**

**Time-lapse video safeguards your vehicle 24/7**

- Built-in battery ensures uninterrupted recording
- Emergency recording prevents overwriting the current recorded file
- Driver fatigue alert regularly reminds the driver to be fully rested
- Headlight reminder automatically activates when poor lightning conditions are detected
- Free download of the exclusive DrivePro App

Includes a 16GB microSD memory card
