

# A TRUSTWORTHY BODYGUARD

Enable IR in total darkness

Disable IR in total darkness

## Infrared LEDs for night vision

## Body Camera | DrivePro Body 10

Transcend's DrivePro Body 10 is the best companion for police officers, security guards and other professionals. The camera uses Sony image sensor, high-quality lens, and automatic infrared illumination that ensure all the important details of actions are clearly recorded. The DrivePro Body 10 also features a built-in battery and excellent water and shock resistance, making it ideal for indoor and outdoor use.

Sony high-sensitivity image sensor

Excellent water and shock resistance

- Quick snapshot button to take photos while recording
- Built-in battery for up to 5 hours\* of continuous recordings
- A 32GB microSD memory card included
- A 360° rotating clip and a Velcro holder included
- Free download of DrivePro Body Toolbox for Windows OS

\*Recording time may differ based on environmental conditions and operation settings (eg. enabling infrared LEDs).
